School District
We Back The Bears!

Accomplishing Our Mission

BASD Goals

By the end of the 2024-25 school year,
our district will...

Academics and Curriculum

Act 20 will be fully implemented in grades 4K-3rd

Woodland Elementary and Ridgeland/Dallas Elementary staff will receive training on the new literacy curriculum, CKLA

Riverview Middle School will continue to utilize 5 Universal Screening windows to monitor growth of students

K-8 will start to explore and determine pilot options for Math

Academics and Curriculum

Riverview Middle School 6-8 ELA staff will be implementing an updated version of MyPerspectives

BHS Social Studies will be implementing new curriculum that was piloted last year

BHS ELA will be implementing an updated version of their curriculum Study Sync

We will continue our STAGR work district-wide with fidelity

Community and Parents

Superintendent Tremblay will continue intentional community conversations

The family engagement committee at Woodland and Ridgeland/Dallas Elementary will continue to develop community partnerships in planning events such as family night, family picnic day, grandparents day, and others

Engage our community businesses in regard to our PBIS at RV

BHS will continue to enhance all of our community gatherings that are held annually at the high school

Extra Curriculars

Continue to promote and push kids to be an active participant in at least one extra curricular activity

Transition from one youth sports coordinator to each sport having an individual coordinator from the high school coaching staff with additional assistance from Jill Sadtler and Brittni Hover

Strive for less than 5% of our athletes to sit out of competitions due to failing grades.

Facilities

We will draft plans for our Early Learning Center and move to state approval and licensing

With youth sports growing and busy, we will work with coaching to enable these games seamlessly

Continue to build a consistent effective facilities team

Water testing will be accomplished in house

Update our facilities software and scheduling

Continuing working with vendors and contractors to look at expenses and services to find a more cost-effective way

Finance

Transition to virtual time reporting and leave reporting

Place emphasis on Health Insurance Committee and education regarding health-related topics

Navigate and create an actionable plan for implementing our Early Learning Center

Finalize innovative benefit concept of providing healthcare opportunities to uninsured staff members at the Golden Bears Wellness Clinic

Health and Safety

Begin Implementation Speak up Speak out district-wide

Implementation of reunification plan improvement

Provide acute and emergency nursing services to all students

Provide vision and hearing screening for recommended age groups

Maintain and provide healthful and safe school environment that facilitates learning including appropriate health education

Assist families with referrals and outside health resources as needed

Improve immunization compliance percentage

Pupil Services

Continue work focusing on compliance with state and federal IDEA requirements

Increase the number of mentees by 20% over the number of mentees at the beginning of the school year

Help students succeed by supporting their personal growth, social-emotional needs, academic achievement, and career planning

School Board

Continue with our strategic planning process to accomplish our mission within our Pillars of Education

Continue to provide solid governance through our work updating BASD district policy with our contracted partners NEOLA and Lori Lubinsky , Axley Law.

School Nutrition

Sara Black will be more present in all schools to support staff and be familiar to students and impact them at earlier stages

Implement additional features of software to streamline transfer between schools and improve inventory management with LINQ nutrition

Explore new menu options to reduce menu fatigue

Staff Talent

Act 20 training will be completed for our principal, administrator, reading specialist and teachers in the 4k-3rd grade levels

Implementation training of Conscious Discipline behavioral systems will continue until fidelity is reached at our Elementary Schools

Riverview ELA Staff will receive training from our newly adopted CKLA (5th Grade) and MyPerspectives (6-8 Grade) Curriculum

Riverview Math Staff will continue to receive a coaching session from the newly adopted Into Math Curriculum.

Staff Talent

Riverview will continue to implement our PBIS Tier I and II initiatives with fidelity

BHS will be receiving Into AGA training for new staff and follow-up training for support

BHS will be receiving training support for ELA Study Sync

All staff will be receiving Title IX Training with the updated requirements

Technology

Smoothly transition our new director into place for a successful start

Evaluate and improve our Cyber/Network Security

Continue to provide training and offering of AI tools to make staff more comfortable with AI in the classroom

Incorporate Dell touchscreen displays into classrooms to replace some aging technology

Work with staff to bring website up-to-date and improve the content of staff

Transportation

Continue to seek new transportation drivers by means of advertising using multiple platforms

Review and determine BASD needs: wheelchair bus and/or van replacement based on current aging of buses/vans

Implement new procedures for transporting students with limited pick up and drop off locations

Alter routes in the event that replacement drivers are not available for hire

GOLDEN BEARS ROCK!
