The mission of the Barron Area School District is to ensure all students reach their dream while making a positive impact on the world.

ALICE Safety Drill September 19, 2017

Please be advised that on Tuesday, September 19, 2017 students and staff will participate in our first ALICE safety drill for this year with the help from Barron County Sheriff's Department and School Resource Deputy David Kuffel. Alice training is designed to provide a comprehensive preparedness in the event of a violent (armed) intruder. ALICE is not designed to be sequential but rather to be utilized dynamically in each unique situation. ALICE stands for:

Alert: Use plain and specific language to Alert others to the danger.
Lockdown: Barricade the room, prepare to Evacuate and Counter if needed
Inform: Communicate the violent intruders location and direction in real time.
Counter: Create noise, movement, distractions and distance with the intent of reducing the shooters ability to shoot accurately. Counter is not fighting.
Evacuate: When safe to do so, remove yourself from the danger zone.

Students are encouraged and will have the opportunity to ask questions. Providing the most current information that will improve the safety and wellbeing of our students and staff is our priority.

If you have any questions or concerns about safety drills or procedures please contact the Administration Office at 715-537-5612.
