Employee Portal and Payroll Information:

For your first payroll, you will receive a live payroll check that will be mailed to you for you to cash. This process is used to verify that all direct deposit information is correct. On your paycheck it will indicate your **employee number**. You will need this employee number to register for the New Employee Portal (see instructions below). The Employee Service Portal is where you will access all of your payroll information from this point forward.

Employee Portal Set up Instructions

- Go to the BASD website: www.barron.k12.wi.us
- Click on the STAFF link
- Click on the New ESP Employee Service Portal link
- The first time you need to click on Create an Account
- Follow the instructions to create your login – you will need your employee number, email address, and to create a password
- After the initial set up, to access your employee portal all you will have to do is sign in
