Memo

To: New Employees

From: Central Office

Re: Employee Physical

The State of Wisconsin requires all new school employees to have a physical examination or submit proof of examination in the past 90 days of their date of employment per Section 118.25 Wis. Stats. The examination must include a tuberculin skin test and/or chest x-ray.

If you go to the Midelfort Clinic - Barron office, the exam will be given to you at no cost. To make an appointment call 537-3166 and tell them that you need to schedule an employment physical for the Barron Area School District. The Barron Midelfort Clinic will bill the school district. **If you choose to go to your own doctor at a clinic other than the Barron Midelfort Clinic, any charges incurred will be at your own expense.** After the physical form is completed and signed by a doctor, please return it to Central office.

If you have any questions, call Jill or Sue at Central office - 537-5612.

RECORD OF SCHOOL EMPLOYE EXAMINATION
 ss. 118.25(2)(a)(b)(c), 4, 5, and 6—Full text printed on reverse—as amended

*As a condition of employment, the school board shall require a physical examination, including a chest X-ray or tuberculin test, of every school employe of the school district. Freedom from tuberculosis in a communicable form is a condition of employment.

(Section 118.25(2)(a) of the Wisconsin Statutes)

I. RESULTS OF SCREENING AND DIAGNOSTIC PROCEDURES FOR TUBERCULOSIS

A negative tuberculin skin test (less than 10 mm, induration) or a negative chest x-ray will satisfy state requirements. If the tuberculin test is positive (10 mm or greater induration) a 14x17 chest x-ray must be taken. If a chest x-ray is suspicious for tuberculosis, then additional studies should be performed to determine a diagnosis. Refer to the *Tuberculosis Reference Handbook for Local Public Health Agencies* for additional information.

SECTION 118.25(1) - (6) of the WISCONSIN STATUTES, as amended

118.25 Health examinations. (1) In this section "school employe" means a person employed by a school board who comes in contact with children or who handles or prepares food for children while they are under the supervision of school authorities.

(2)(a) As a condition of employment, the school board, except in 1st class cities, shall require a physical examination, including a chest X-ray or tuberculin test, of every school employe of the school district. Freedom from tuberculosis in a communicable form is a condition of employment. In the case of a new school employe, the school board may permit the school employe to submit proof of an examination, chest X-ray or tuberculin test complying with this section which was taken within the past 90 days in lieu of requiring such examination, X-ray or test. If the reaction to the tuberculin test is positive, a chest X-ray shall be required. Additional physical examinations shall be required thereafter at intervals determined by the school board. The school employe shall be examined by a physician in the employ of or under contract with the school district, but if a physician is not employed or under contract, the examination shall be made by a physician selected by the school employe.

(b) Such physical examinations, chest X-rays, or tuberculin tests shall not be required of any school employe who files with the school board an affidavit setting forth that he depends exclusively upon prayer or spiritual means for healing in accordance with the teachings of a bona fide religious sect, denomination or organization and that he is to the best of his knowledge and belief in good health and that he claims exemption from health examination on these grounds. Notwithstanding the filing of such affidavit, if there is a reasonable cause to believe that such employe is suffering from an illness detrimental to the health of the pupils, the school board may require a health examination of such school employe sufficient to indicate whether or not such a school employe is suffering from such an illness. No school employe may be discriminated against by reason of his filing such affidavit.

(c) The physician making a physical examination shall prepare a report of his examination upon a standard form prepared by the department of health and social services and the department. Such report shall be retained in the physician's files and he shall make confidential recommendations therefrom to the school board and to the school employe on a form prepared by the department of health and social services and the department. The recommendation form shall contain space for a certificate that the person is free from tuberculosis in a communicable form. The cost of such examinations, including X-rays and tuberculin tests, shall be paid out of school district funds.

(3) In counties having a population of less than 500,000, the school board may require periodic health examinations of pupils by physicians, under the supervision of local boards of health and the department of health and social services, and may pay the cost of such examinations out of school district funds.

(4) If a health or physical examination made under this section includes the testing of vision, such test may be made by an optometrist. Forms used for reporting such vision tests shall so indicate.

(5) As a condition of employment, special teachers, school psychologists, school social workers, cooperative educational service agency personnel and other personnel working in public schools shall have physical examinations under sub. (2). The employing school district or agency shall pay the cost of such examinations.

(6) As a condition of employment, employes of the state superintendent whose work bring them into contact with school children or with school employes shall have physical examinations under sub. (2).
