 Questions in **BOLD** are required, others are optional.

	Behavior Speech/Language Gross and/or Fine Motor Handwriting Health Social Skills
What are the student's strengths, things they are good at, like, etc.?	
Select the description MOST true of this student's academic performance... (if you have a behavior concern, skip this question)	This student's academic performance is inconsistent across settings This student makes many error The current academic demands are too hard for this student This student's performance is only a problem in one or two settings This student is not struggling academically
Check (up to) your top 3 behaviors of concern	Talking out Fidgeting Out of seat Pestering students Not following directions/rules Refusing to work Daydreaming/staring Arguing Uncompleted classwork Tardy/absent Bus violations Getting in fights with others Bullying others Uncompleted homework Poor/failing grades on assignments/tests Low performance on State wide/STAR assessments Other:
Of the three problem behaviors/concerns, which is the most significant (behavior/concern #1)?	

Request for Assistance Form (RAF)
 Questions in **BOLD** are required, others are optional.

<p>How often does behavior/concern #1 occur (frequency)?</p>	<p>1-3 times per month 1-6 times per week 1-5 times per day 6 or more times per day 1 or more times per hour Less than 25% of assignments/tests 25-50% of assignments/tests More than 50% of assignments/tests</p>
<p>In detail, please describe what behavior/concern #1 looks like</p>	
<p>How severe is behavior/concern #1?</p>	<p>Slightly serious: low risk for being a danger to self/others/environment and/or low risk for not meeting academic expectations Moderately serious Very serious Extremely serious: is currently a danger to self/others/environment and/or currently not meeting minimal academic growth expectations to advance to the next grade level</p>
<p>What seems to “cause” or “set off” behavior/concern #1 (Antecedent)?</p>	
<p>What happens right after behavior/concern #1 (Consequence)?</p>	
<p>What have you done in response (discipline/to correct the problem) that has worked or partially worked for dealing with behavior/concern #1?</p>	
<p>What have you done in response (discipline/to correct the problem) that has NOT worked at all for dealing with behavior/concern #1?</p>	
<p>When did you first see behavior/concern #1?</p>	
<p>Do you have any ideas as to why this student may be engaging in</p>	

behavior/concern #1?	
If you were to have an individual who wanted to observe behavior/concern #1 occurring, what time would you have them observe the student, OR what would you do to the student or the environment to elicit the behavior?	
If you were to have an individual observe the student and you did NOT want the behavior/concern #1 occurring, what time would you have them observe the student, OR what would you do to the student or the environment to make sure the behavior did not occur?	
Do you have any additional academic or behavior concerns you would like to address or discuss? If yes, please provide a description of your concerns here.
