FOOTBALL

 THE foot ball season of 1910 opened with about twenty fellows out for practice. As there were only six old players back, the prospects for a good team were not favorable. With Mr. Ellsworth as coach, the candidates willingly underwent some stiff practice. The team was defeated, in the first two games by Cumberland and New Richmond. The experience gained in these contests was of great benefit to the players. Encouraged by the support of the school and city, the team braced up. The next game, which was with Lady-smith, proved an easy victory. This success gave the players confidence in themselves. Another week's hard practice was undergone, thus preparing the boys for a second clash with Cumberland, the last and most important game of the season. This game was close and exciting, Barron only winning in the last few minutes of play.
