

Football

Top Row: Mr. Waters, Post, Van Sickle, Torgeson, Gulickson, Williams, D. Grengs, Garner, Galloway, Taylor, Mr. Gurnoe.
 Second Row: S. Grengs, Mack, Cuthbert, Warwick, Horman, Thompson, Reed, Jerome
 Third Row: Pitzer, Holman, Earney, Ormson, Deringer, Paulson, Westin.

On the first day of school, suits were handed out to last year's men and likely prospects. The following day Coach Gurnoe began practice, whipping the squad into shape in record time.

Our first game came with our old rival, Rice Lake. After two weeks of practice, we vowed to break the jinx which Rice Lake has held over us for many years past, and we certainly did.

The team performed well this year under Captain Sidney Horman, who deserves much credit for his inspiration to the team and for his work in holding up his side of the line. Our captain-elect, Wayne Thompson, who is a fine end, has our best wishes for next year.

BARRON 19 — RICE LAKE 0

Rice Lake kicked off to Barron and the Tigers started a drive which took them to the goal line without losing the ball. Straight bucks and end runs pushed the ball over for our first counter.

Barron outplayed Rice Lake throughout the game. The visitors didn't come within scoring distance at any time during the game, while Barron gained consistently through the line and around the ends.

BARRON 12 — LADYSMITH 14

This was the most closely contested game of the season, for the teams were very evenly matched. Ladysmith scored a safety on breaks and decided the score in favor of them.

Warwick, quarterback, played a great game in the backfield and made the first touchdown. The second counter was made by a plunge over the center, a fullback carrying the ball. Ladysmith outweighed us by quite a bit and their backfield showed more experience than did the new one of Barron.

BARRON 0 — CHIPPEWA 46

Something struck Barron on this trip and remained with us throughout the game, although we held Chippewa to a score of 6 to 0 in the first half. Perhaps the boys were nervous; at any rate, the second half proved disastrous, Chippewa scoring again and again. Some of the touchdowns were flukes, but the Barron team was rather outclassed. Chippewa's monstrous fullback rather took the drive out of our men, who allowed him to run unchecked too long.

BARRON 46 — AMERY 0

In spite of the fact that Barron was back on their feet for this tussle, our second teams also got a chance to perform. They showed up well and proved that we will have a good team next year.

Amery had many new men and their lack of experience probably accounted for their fall. Barron received most of the breaks, taking advantage of all of them.

FOOTBALL BANQUET

This year the Commercial Club entertained only the football members at a banquet, which was given on Nov. 20, 1928, in the Domestic Science Dining room, or room 25. The tables were prettily decorated in red and white. Leslie Williams acted as toastmaster for the evening. Speeches were made by various members of the team. The main course of the banquet was the French Fried Toast. Bob Gulickson won the prize for eating the greatest number of pieces. Shelly Grengs was placed as second. The boys enjoyed themselves very much, especially those who did not devour so much. The party closed at about eight o'clock.

BARRON HIGH SCHOOL

BARRON 8 — COLFAX 6

This victory was almost turned into defeat although Barron ripped through their opponent's line for many yards. Gain followed gain, but it seemed impossible for the Tigers to cross the last marker more than once.

Colfax was driven backwards during the third quarter and instead of kicking from behind the goal line, essayed a plunge through our left tackle. The full back was dropped in his tracks, which gave us two points—deciding the game.

BARRON 6 — CUMBERLAND 12

This game was the one of the season which we wished to win more than any other. Cumberland had razzed us about our team and we were determined to win, but fate was against us. A cold day slowed up the game considerably, and Barron received injuries to several players which took the heart out of them.

The game was a tie for some time but Cumberland finally broke through for another counter and cinched the game.

BARRON 12 — SPOONER 0

Barron turned the tables in this game and upset all "dope" on the battle. Spooner was supposed to win from Barron by a score of 20 to 0 according to the way the other games had turned out. The Tigers outplayed Spooner at every angle of the game and beat them at their own game of savage line slashes and short swift passes.

Thompson gets the credit for the first counter when he caught a pass from Warwick and crossed the line after a run of ten yards. The second touchdown was made by a shift play and Cuthbert, who was drawn back from the line, went over the weak side for twelve yards.

Barron played an excellent brand of football and showed the Maroon and Gold spirit by keeping up the fight from the first whistle blast until the last.

THE BOYS' FOOTBALL PARTY

The Boys' Football team entertained the Senior High and Faculty members at a dancing party in the High School gymnasium on December 7, 1928. Happy Hooligan's orchestra furnished the music while the crowd furnished the pep. The two together made the evening most enjoyable. It will be remembered long by those present, especially members of the team. At eleven o'clock every one left for home feeling that he had his full share of amusement.
