Football

Never have Barron football men displayed a better fighting spirit than during the past season. With a nucleus of five lettermen: Capt. Harris Van Sickle, Gerald Harbaugh, Franklyn Deringer, Harold Williams, and John Schiefelbein. Coach Switzenberg prepared his extremely small squad for the first game with Menomonie.

Most of the teams proved to be powerful machines against which the Maroon and Gold could make but few scores. Barron was often in the scoring zone but too often failed to score.

The highlight of the season, despite the fact that Barron failed to score, was the boys' first night game played at Spooner.

The future, however, looks brighter for more lettermen than have been present on the squad for several years remain to carve football history for Barron High in 1935.
