## 1966 FOOTBALL SEASON

Football was rough this year. The whole team worked hard and had a lot of team spirit. This team didn't have the physical size of last year's, but spiritual size was equal. Although the won lost record wasn't as spectacular as last year's, the team did well, scored quite impressively and represented Barron well.

The football team worked diligently this year, but the season was disap-  
pointing. The boys worked hard  
learning a new system under their new  
coach, Mr. Usgaard. The team was  
handicapped by an unusual amount of  
injuries, but the boys continued to work  
hard, winning only the last game  
against Cumberland. They made a  
good showing against Ladysmith,  
against Chetek in the Homecoming  
game, and against Spooner on Parent's  
Night. We are proud of the immense  
effort the team displayed.
