The Bears gave fans a lot of exciting football to watch this past fall. It was a year no one gave up until the final gun, each player exhibiting an ability and a desire to fight back. At season's end, the Bears were 4 and 4 in the conference and 6 and 4 over all, taking fifth place in the HON. This year's seniors will be missed because of their great leadership and attitude. Senior Rich Vergin was named to the HON All-conference Defensive Team as a linebacker. Another senior, Steve Feldhacker, was named to the Offensive Team as a guard; seniors Tom Maurina, John Boortz, and Gary Kallenbach, juniors Roger Poulter and Curt Zamzow, and sophomore Mickey Hover were named to the Honorable Mention Team.
