

1975 Football Season Finishes 4-6

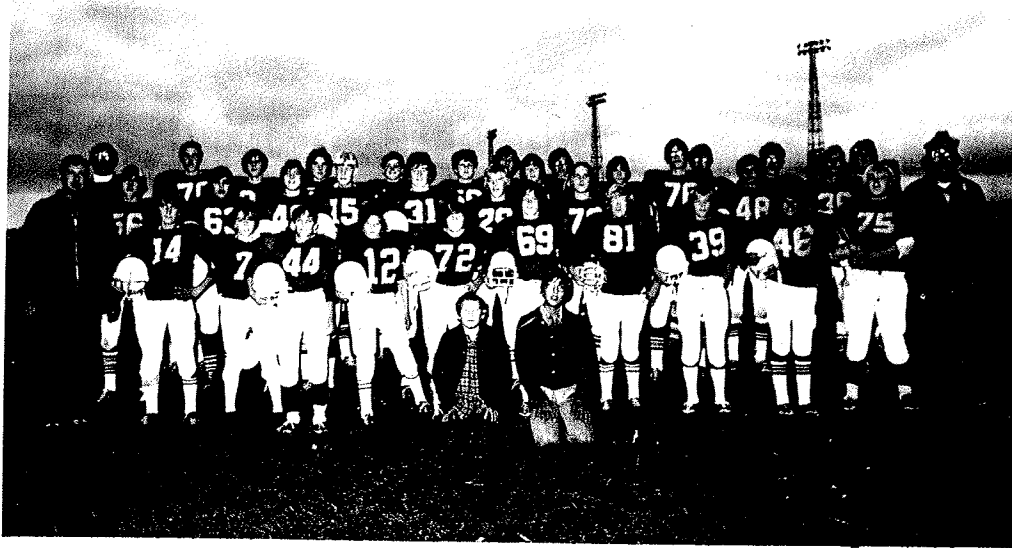

A Barron Bear going for a tackle.

The Golden Bears were a very dedicated group of young men to work with. With their great attitude and desire they gave us some a lot of exciting moments.

The seniors are going to be missed next year. Their leadership was outstanding. The underclassmen have a lot to look forward to. We have a lot of talent and should be heard from in the future. Coach Leonard

The freshman football team of 1975 had a fine season with a record of 4-2. The team's strong point was defense which was aggressive and persistent. Good competition in H&N freshman football allowed for exciting and competitive football. J. Buggil
