

Best Game Saved For Homecoming

FOOTBALL FOOTBALL FOOTBALL FOOTBALL FOOTBALL FOOTBALL FOOTBALL

Although the Barron Bears ended the football season 0-9, there were still many highlights. Four people earned All-Conference recognition including linebacker Darin Vought, guard Bob McDonald, center Jim Blomberg, and tackle Andy Baldwin. All of these people were voted to the second team All-Conference roster.

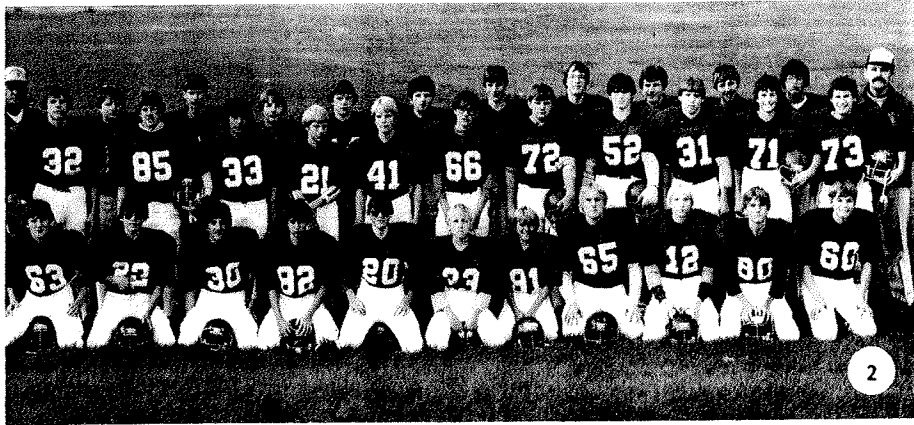

The Bears saved their best game for Homecoming night against the Spooner Rails. They led through most of the game but ended up a little short

as time expired. Mr. Grygiel commented on the season saying, "Our team was mainly a junior-sophomore team with only four lettermen returning with experience. The season had some trying times, but many outstanding individual achievements. We hope this experience will be beneficial for the next few years."

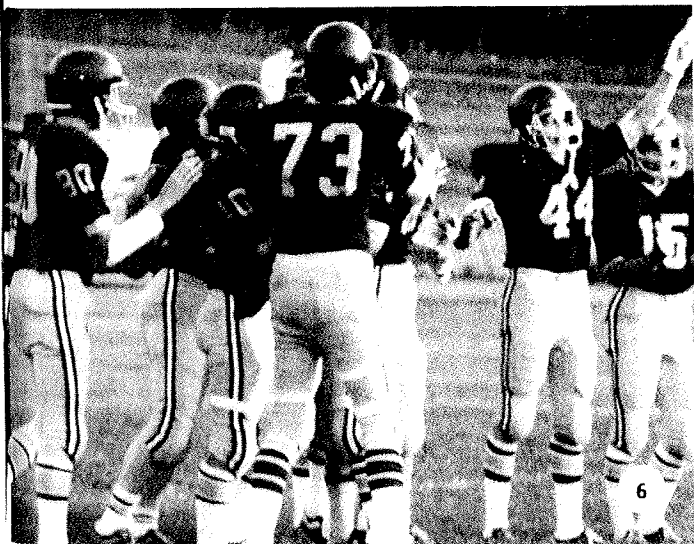

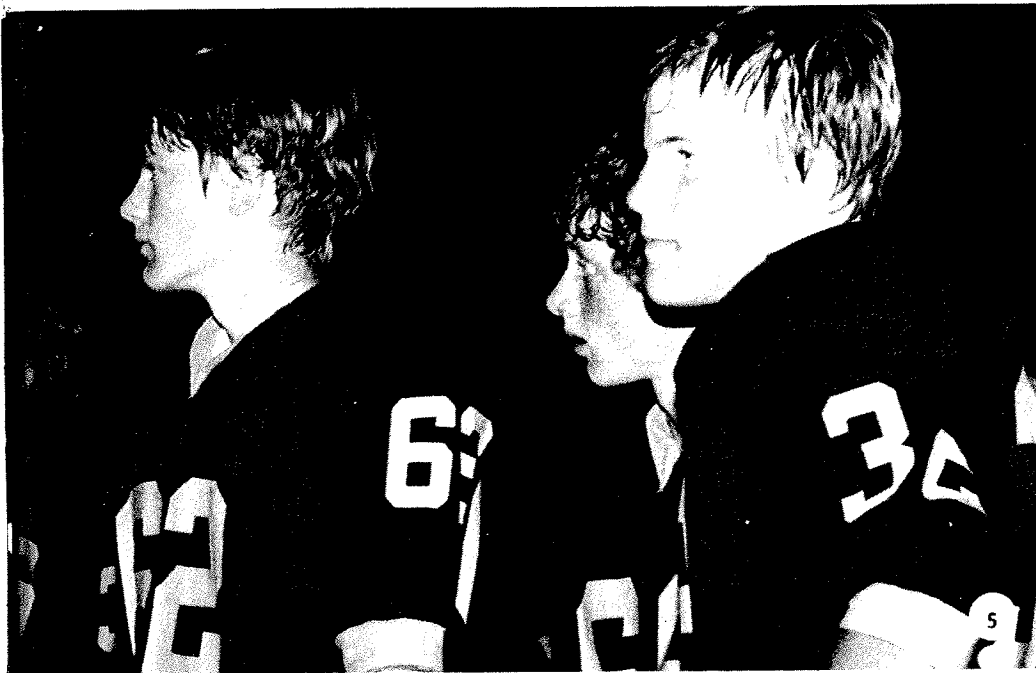

The JV squad finished with a 4-4 record. Defeating Rice Lake was the highlight of the year for the freshmen, who finished with a 4-2 season record.
