

The 1987 Barron Bears football team was a team that gave it their all. Throughout the season they would be down, but they would manage to keep playing hard.

A new coach came in at the beginning of the season, and it's very difficult to start a season like that. Coach Mueller brought in a new attitude and a new system which the whole team took on. The coach and the players have a good attitude and they are very hopeful for the future.
