These hardworking Golden Bears headed to Dairy Queen for an end of the year treat!

SUPERINTENDENT'S MESSAGE

Diane Tremblay

Dear BASD Families and Our Supporting Community:

The beginning of a new school year, like the dawning of a new day, reminds us that the future holds infinite possibilities. I hope that your summer was relaxing, filled with adventures and good health. The opportunity to enjoy some beautiful weather and find opportunity to refuel over the summer is a necessary component of the important work that we all do. I know that we are about to begin a great school year filled with hope, vision, and excitement. As we begin this new year, I wish everyone the greatest success as we welcome our Golden Bears back to their educational journey of 2019-20.

All of our summer programs were a success, and I witnessed a lot of smiling faces all around our campus. Summer is also a critical time for building upkeeps and improvements, which are all facilitated by our incredible facilities team, so please take time to thank them when you have an opportunity.

Our strategic planning processes incorporates our 12 Pillars of Education and includes our annual goals and long term vision, which is sure to reinforce our district mission. The mission of the Barron Area School District is to ensure all students reach their dreams while.

Accomplishing our Mission 2019 - 2020

Academics

- Remain meeting or exceeding state expectations with a minimum of 71pts on State Report Cards
- 75% of our students will achieve average or above Growth on our annual Star assessments by Spring 2020
- Reach a 98% graduation rate for 4 and 6 year cohorts
- Define what career and college ready means in our district

Curriculum

- Align our identified standards with our instruction and develop assessments to support differentiation and mastery of the standards.
 - What are students supposed to be able to do when they leave your classrooms?
 - How do we know that they are able to do this?
 - What do we do if they aren't?
- Begin taking a look at Standards based grading district wide

Community and Parents

- Continue utilizing our new Social Media platform in order to celebrate and promote BASD
- Host a 3rd annual community festival to celebrate cultures
- Simplify our K-12 weekly updates to parents

Continue developing our Golden Task Force in order to...

- Engage our community in our long term planning processes and referendum questions
- Facilitate effective career and life readiness for our students

Extracurriculars

- Finish in the top three in the Heart O'North Sportsmanship.
- All athletic programs utilize the weight room twice a week during their season
- Extracurricular programs, as a whole, accumulate 200 hours of volunteer hours
- Make new efforts to insure that each student participates in a minimum of one extra-curricular activity

Facilities

- Complete new Entry way work
- Finish plans and prepare for Phase III work at our High School
- Complete our long term facilities plans in conjunction with our Finance goals

Finances

- Review and potentially revise support staff compensation schedule
- Provide a revamped Cash-in-Lieu of health insurance compensation incentive
- Efficiently and effectively close out high school building project in conjunction with debt financing timelines
- Begin preparing for Referendum 2021

Food Services

- Promote Food Services program
- Insure that all students have easy access to breakfast, lunches and our backpack program

Health and Safety

- Increase participation in our Wellness Program by 10%
- Label our buildings appropriately to prepare for potential emergency authority entry
- Ensure that all staff is ALICE trained and experience 2 drills which incorporates a solid reunification practice
- Increase awareness and training of staff in recognizing and dealing with health emergencies.

Pupil Services

- Engage our trauma informed team to determine universal practices k-12 and develop a plan to roll this out
- Increase supports for mental health and social-emotional needs our schools
- Increase student involvement by 10% in our 21st Century Community Learning Center
- Successfully implement our Elementary Wrap around programming
- Increase our Mentorship program participation to 40

School Board

- We will develop a timeline and strategy heading into operational referendum vote 2021 for 2022
- Survey our Community Support in order to guide our next steps regarding facilities needs

(continued on page 4)

SUPERINTENDENT'S MESSAGE

continued from page 3

Staff Talent

- Align staff talent development options with our district and building goals
- Continue horizontal and vertical curriculum conversations in regards to sequential learning and common assessment
- Assess our staff in order to assure that they have adequate training needed to support increasing rigor in classroom instruction and have proper skills to effectively utilize all district platforms and resources

Technology

- Expand users of eduCLIMBER software by providing training/support to grade level teams introducing how to use thresholds to identify, assess, and monitor students for data driven decisions
- Provide continued cyber security training to our staff by measuring understanding using random simulation exercises, evaluation, and communication of best practices emphasizing the critical nature of data security
- Implementation of ClassLink software at the elementary schools and middle school for a secure single sign-on solution providing students instant access to their learning resources in one location

Transportation

- Begin upgrading camera system to assure safety in our buses
- Add a new bus and a 10 passenger van to our transportation arsenal
- Recruit two additional drivers
- Investigate practices in order to reduce specialized transportation

Community is an integral part to our success, while ensuring that our schools are highly effective centers of learning. On behalf of the incredible team of educators and support staff who serve the children of the Barron Area School District, thank you for putting your faith in us to provide your children with a world-class education. We look forward to partnering with you throughout the year to ensure the success of all of our students.

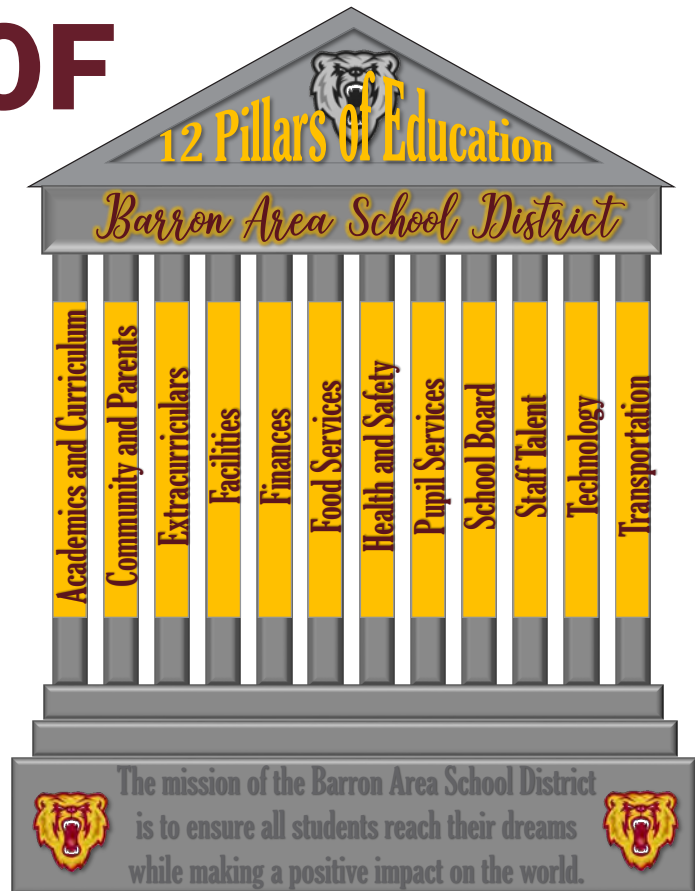

Lastly, I look forward to another exciting year of contribution and service to the life of our community and its future.

Sincerely,
Diane Tremblay

The mission of the Barron Area School District is to ensure all students reach their dreams while making a positive impact on the world.

12 PILLARS OF EDUCATION

BASD

COMMUNITY

MENTORSHIP PROGRAM

The Barron Area School District Mentorship Program begins its exciting fourth year. Through this program, community mentors are matched with middle and high school students to serve as positive, encouraging, and supportive role models for their mentees.

The Mentor Program matches community volunteers with middle and high school students who are often the first in their family to apply to college or pursue post-secondary education. The community mentors and Mentor Coordinator work individually with students to help them graduate from high school and apply for post-secondary education, financial aid, and scholarships.

Research, including a 2007 study conducted by the Bill and Melinda Gates Foundation, has found that mentored youth have better grades in school and a more positive belief about their ability to succeed in school than non-mentored youth.

If you would like to make a difference in the life of a child by being a mentor, please contact Diane Sloan, Mentor Coordinator, at 715-537-5627, ext. 168.

BEAR CUB DEN

The Bear Cub Den is a before and after school program offered to our elementary students at all three of our elementary locations. The Bear Cub Den will be replacing the SAGE program that was previously offered. At the Bear Cub Den we will provide a safe and supervised environment before and after school. Students will have the opportunity to exercise, do homework, read, play games, make crafts and most of all, have fun! Registration forms and daily costs will be available online and at our elementary school buildings. For more information call Lyndsey Kurtz at (715) 637-9199 or email cubden@barron.k12.wi.us

Hours: (school days only)

Before School:

6:00 am - 7:45 am

After School:

3:15 pm - 6:00 pm

Daily Cost:

Before School:

6:00 am - 7:45 am - \$3.00

7:00 am - 7:45 am - \$2.50

After School:

pick up by 4:00 pm - \$3.00

pick up by 5:00 pm - \$4.00

pick up by 6:00 pm - \$5.00

ALMENA WELCOME

Welcome back to school. The Almena School is excited to welcome the Barron Area Montessori School program to our school this 2019-2020 school year. We are excited to have our school full of children who are excited to learn and meet new friends. We look forward to seeing everyone at the September 3rd Welcome Day.

The Almena School gardens have been a success. During the summer school session in June, Mrs. Wagner and the children weeded and watered the gardens regularly. School and village families have been able to eat some produce during July and August, and we are hoping to offer some vegetables at snack time in September.

BEAUTIFYING RIDGELAND

Check out the fresh look that Mrs. Carr and the after school activities students did to the landscaping at Ridgeland-Dallas. They spent a week pruning perennials, transplanting perennials, weeding, digging, and adding fresh mulch! They all did an amazing job!

WOODLAND EXCITEMENT

Cupcake Wars, Fish-catching, Hanging Out With Goats . . .

Yes, it's all part of Woodland's Summer School Program! Our students had an educational and very fun summer in classes like Fun with Animals where they traveled around Barron County learning about the care of animals. They visited our local animal hospital to learn how veterinarians help our animals, they learned how Officer Nate Emmons trained his majestic dog Duke, and they visited several local farms to learn about horses, goats, cows and many other animals. Students also attended classes like Cupcakes Wars where they learned

to bake and decorate many delectable goodies. Another class in high demand is our fishing class. Students learn about different varieties of local fish along with fishing regulations, they learn and practice their casting, then they take many field trips to local lakes to enjoy their new-found fishing skills! Other amazing classes include Unusual Sports, Make and Take Crafts, Snacking Good Time, Geocaching...and many, many more. Join us for the summer of 2020. It just gets better and better every year!

HUNTER SAFETY

Riverview Middle School offered a DNR safety course during the June summer school session. The Hunter Safety course taught the students the knowledge and skills to be responsible and safe hunters. Hunter responsibility and safety were stressed throughout the class which consisted of special speakers, demonstrations, practical handling of firearms, and individual assignments. The following students attended and passed the DNR-sponsored Hunter Safety Course:

Front row: Jayden Beck, Jacob Becker, David Pond, Cody Donica, Evan Berg, Daniel Edwards, Camden Valentine, Bronson Halverson, Mia James. Middle row: Peter Berg, Sam Nelson, Shawn Holten, Abbygale Elliott, Bailey Shatley, Natelee Dalberg, Kailynn Duncan, Hailee Halverson, Madison Donica and DNR Conservation Warden Josh Loining. Back row: Tyler Nelson, Glendon Thompson, Isabell Donica, Elizabeth Sadowski, Jada Hostman, Maggie Cole, Hailie Robbins, Jacie Amundson, Lillian Harmon, and Jenna Herrman. Molly Boe, Jon Lantz, Josh Meissner and Janelle Nelson were the Riverview Middle School DNR- certified instructors that taught the course.

ATV AND SNOWMOBILE SAFETY

ATV and Snowmobile Safety Courses at Riverview Middle School. These Riverview Middle School students were enrolled in the DNR-sponsored ATV and Snowmobile Safety Courses that were offered during summer school. Deputy Jeff Wolfe gave the students Barron County Snowmobile & ATV maps, explained how to read the maps and talked

about the proper etiquette while on the trails. DNR Warden Josh Loining taught students about the current ATV and Snowmobile laws. Molly Boe, Jon Lantz, Josh Meissner and Janelle Nelson were the Riverview Middle School DNR- certified instructors that taught the course.

JUNE 2019

RIVERVIEW

STUDENT OF THE MONTH

Riverview Students of the Month are nominated and voted by RMS Staff each month. May Student of the Month winners were recognized with a speech at an all school assembly on June 7.

L to R: Linsey Balts (5th), Drew Scheps (6th), Abdirahman Garad (7th) and Collin Fenton (8th)

RIVERVIEW

AUGUST 2019

5TH GRADE ORIENTATION

5th graders completed a Breakout EDU session during Riverview Orientation. Teams worked together to solve clues, open locks, and get into their Breakout box! Students participated in many activities throughout the week including scavenger hunts, teambuilding, and tours.

BARRON BAND STUDENTS ATTEND CAMP

Three outstanding musicians from the high school band attended the Shell Lake Arts Center Band Camp this summer. Madelyn Larson (flute), Audrey Bigler (flute) and William Weise (trumpet) attended the week-long camp. Students in Concert Band Camp are provided with one-on-one instruction from professional musicians and perform in both small and large groups and attend music theory classes. Thank you Shell Lake and the Barron Federated Music Club Scholarship program!

FAMILY, CAREER, COMMUNITY, LEADERS OF AMERICA

Anaheim, CA June, 30-July 5, 2019

FCCLA:

NATIONAL LEADERSHIP CONFERENCE

FCCLA National Leadership Conference was held in Anaheim, CA June 30 - July 5, 2019. The following Barron Area School District members qualified to attend. To qualify students compete at regional and state competitions in various events. To compete at nationals students must be one of the top two from Wisconsin in their event/category while earning an 85/100 on the given score sheet.

GOLD

Teagan Mickelson and Reda Stokes - Chapter in Review, Junior Category- Teagan and Reda showcased Barron High School FCCLA in their project, Find Yourself in FCCLA.

Ashlynn Harmon and Emma Thompson-Focus on Children, Junior Category-

Ashlynn and Emma taught elementary students about nutrition with their project, Eat, Feel, Be Healthy.

SILVER

Isabel Massie - Recycle and Redesign, Junior Category - Isabel took old product and created a beautiful, wood-tin, barn board quilt and called it Burn or Turn

Andrea Bates - Illustrated Talk, Senior Category - Andrea educated middle school students on how social media impacts their health and wellness through her project, Social Media Madness.

Delaney Willers and Kesha Palmquist - Environmental Ambassador, Junior Category- Delaney and Kesha advocated for less water usage by educating students and donating money to The Water Project.

Front L to R - Emma Thompson, Ashlynn Harmon, Reda Stokes, Kesha Palmquist

Back L to R - Isabel Massie, Delaney Willers, Adviser Carrie Amundson, Andrea Bates, Teagan Mickelson

Public Notification of Nondiscrimination Policy

It is the policy of the Barron Area School District that no person may be denied admission to any public school in this district or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil service, recreational, or other program or activity because of the person's sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability or handicap as required by s. 118.13, Wis. Stats. This policy also prohibits discrimination as defined by Title IX of the Education Amendments of 1972 (sex), Title VI of the Civil Rights Act of 1964 (race and national origin), and Section 504 of the Rehabilitation Act of 1973 and the Americans With Disabilities Act of 1990, (disability). This policy shall prevail in all matters concerning staff, students, the public, educational programs (including all career and technical education opportunities), services and individuals with whom the Board does business.

If any person believes that the Barron Area School District or any part of the school organization has failed to follow state student nondiscrimination law and regulations or the Board's equal educational opportunities policy, he/she may bring or send a complaint to Diane Tremblay, District Administrator, at the following address: 100 West River Avenue, Barron, WI, 54812.

The district encourages informal resolution of complaints under this policy. A formal complaint resolution procedure is available, however, to address allegations of violations of the policy in the Barron Area School District.

Any questions concerning this policy should be directed to: Diane Tremblay, District Administrator, Barron Area School District, 100 West River Avenue Barron, WI 54812.

Student Accident Insurance

The Barron Area School District provides insurance benefits for medical expense arising from a school related accidental bodily injury. This insurance plan protects our students while attending regular school sessions, participating in or attending school-sponsored and supervised extra-curricular activities in school-provided transportation. We also provide additional coverage of Interscholastic Sports when practicing or competing in interscholastic sports, which are scheduled by the school, and while the student is under the direct supervision of a school employee

and while traveling to and from such practices or competition in school provided transportation. A summary of coverage which is provided is available at www.sas-mn.com under "Find my School." Parent may extend the school-time protection by purchasing 24-Hour Accident coverage. This covers your student 24-hours a day, any time or anywhere, until school starts next year. If you are interested in purchasing the 24-Hour Accident Coverage, please contact Carissa Cutsforth at the Administration Office at 715-537-5612 ext. 413.

2019-2020 Asbestos Notification

As a result of federal legislation (Asbestos Hazard Emergency Response Act - AHERA), each primary and secondary school in the nation is required to complete a stringent inspection for asbestos and to develop a plan of management for all asbestos-containing building materials. The Barron Area School District has a goal to be in full compliance with this law and is following the spirit, as well as, the letter of the law. As a matter of policy, the district shall continue to maintain a safe and healthful environment for our community's youth and employees.

In keeping with this legislation, all buildings (including portables and support buildings) owned or leased by the Barron Area School District were inspected by an EPA accredited inspector and samples were analyzed by an independent laboratory. Based on the inspection, the school prepared and the state approved a comprehensive management plan for handling the asbestos located within its buildings safely and responsibly.

Furthermore, the Barron Area School District has completed the 3-Year Reinspections required by AHERA. Our district buildings, where asbestos-containing materials were found, are under repair, removal and Operations and Maintenance. The most recent 3-year reinspection was conducted on June 2013 and the next is due on that date in 2016.

This past year Barron Area School District conducted the following with respect to its asbestos containing building materials:

**Continued our Operations and Maintenance Program*

Federal law requires a periodic walk-through (called "surveillance") every six months of each area containing asbestos. MacNeil Environmental, Inc will accomplish this under contract.

Short-term workers (outside contractors - i.e., telephone repair workers, electricians and exterminators) must be provided information regarding the location of asbestos in which they may come into contact. All short-term workers shall contact the lead maintenance person before commencing work to be given this information.

The Barron Area School District has a list of the location(s); type(s) of asbestos containing materials found in that school building and a description and timetable for their proper management. A copy of the Asbestos Management Plan is available for review in the District Office. Copies are available at 25 cents per page. Questions related to the plan should be directed to the Barron Area School District at 715-537-5612.
