

# **BARRON HIGH SCHOOL:** **INCLEMENT WEATHER PLAN**

**Virtual Learning:** BHS will use Google Classroom to provide online learning for a school closure due to an emergency or inclement weather. When the district issues a Virtual Learning day, communication will go out to our staff, students, and families prior to the school closure for planning purposes.

**Google Classroom:** This will be our main platform for communicating curriculum to our students/families. If you need assistance with this, please email your student's teachers. If families do not have access to the internet or devices, the teacher will modify the instructional materials/projects as needed with students or provide offline work when inclement weather is predicted.

**Student Attendance and Expectations:** Students will be required to check their school email and log into Google Classroom for all of their classes and confirm their attendance. All students are expected to attend and complete posted assignments by individual teacher's due dates. If your child does not login and participate with their online work, the day will be an unexcused absence. Parent/caregiver can contact the school and leave a message if their child will be absent. Teachers will be available by email or other virtual communications (Zoom, Google Meets) scheduled by your teacher during the designated times on the regular bell schedule for their classes. Our main goal is to provide our students continued learning and feedback during the school closure.

**Academic Support:** Use your district email or other virtual communications (Zoom, Google Meets) scheduled by your teacher during the designated times. Be patient, as your teacher may be assisting other classmates.

**Special Education/ELL:** Google Classroom will be used by special education and ELL staff to communicate learning expectations for Virtual Learning days. To accommodate specific learning needs, alternatives to Google Classroom will be developed and communicated with students and families at the beginning of the school year and during annual IEP meetings.

**Other Support:** Contact the following if you need any other support.

Principal: Mr. Chad Buss [bussc@barron.k12.wi.us](mailto:bussc@barron.k12.wi.us)

Dean of Students: Ms. Brittini Hover [hoverb@barron.k12.wi.us](mailto:hoverb@barron.k12.wi.us)

School Counselor: Mrs. Brooke Nehring [nehringb@barron.k12.wi.us](mailto:nehringb@barron.k12.wi.us)
