

BARRON COUNTY DEPARTMENT OF HEALTH & HUMAN SERVICES

Waalidiinta ama mas'uuliyiinta qaaliga ah,

Caafimaadka Dadweynaha ee Degmada Barron waxay aqoonsan tahay in sida ugu wanaagsan ee looga hortagi karo hargabka ama "hargabka" ay tahay in la tallaalo. Sannad-dugsiyeedkan Caafimaadka Dadweynaha ee Degmada Barron waxay tallaali doontaa dhalinyarada Degmada Barron, iyada oo aan wax kharash ah laga bixin qoysaska. Caafimaadka Dadweynuhu waxay bixin doontaa rugta tallaalka hargabka ee Dugsiga Sare ee **Barron iyo Dugsiga Dhexe Riverview Arbacada, 10/21/2026**. Rugta caafimaadku waxay ka bilaabmi doontaa agagaarka **9:30** subaxnimo dugsiga sare ka dibna waxay ahaan doontaa Riverview.

Ku lifaaqan warqadda macluumaadka tallaalka (VIS) ee tallaalka laysaga tallaalayo (shot) iyo foomka ogolaanshaha. Caafimaadka dadweynaha ma bixin doono buufinta sanku.

Haddii aad doorato in ilmahaaga la tallaalo, fadlan akhri VIS, buuxi foomka ogolaanshaha ee ilmahaaga, kuna soo celi foomka ogolaanshaha xafiiska dugsiga ilmahaaga. **Fadlan buuxi foomka ogolaanshaha gaarka ah ee arday kasta oo qaadan doona tallaalka.** Foomamka ogolaanshaha waxaa lagu soo celin doonaa xafiiska dugsiga ilmahaaga ilaa **Friday, October 16, 2026**. **Haddii aadan rabin in ilmahaagu qaato tallaalka hargabka, ha ku soo celinin foomka.**

CDC waxay ku talinaysaa in dhammaan shakhsiyaadka da'doodu tahay 6 bilood iyo ka weyn ay qaataan tallaalka infalawansada. Sababtoo ah goobaha dugsiyadu waa meelo badan oo "wadaag", oo ay ku jiraan jirro, dhammaan ardayda iyo shaqaalaha ayaa la dareemay inay halis ugu jiraan inay jirro hargab.

Haddii aad qabtid wax su'aalo ah oo ku saabsan xarumaha hargabka dugsiga ama tallaalka hargabka, fadlan wac Waaxda Caafimaadka Dadweynaha ee Barron County 715-537-5691 6442. Waad ku mahadsantahay ilaalinta caafimaadka carruurtaada iyo kuwa kale mudnaan.

si daacad ah,

Patricia Wickman, BSN, RN
Sarkaalka Caafimaadka Barron County
