## Football

Barron had only mixed success on the gridiron in 1963, finishing with a 4-4 won-lost record. In the Heart O'North conference, Barron finished fourth with a 4-3 record. The season started quite slowly when Barron dropped the opener to Unity 12-7 in a non-conference game filled with bursts of spectacular plays but dominated by defense. Barron took on steam with a 33-25 win over Ladysmith. The rest of the season consisted of wins over Spooner, Hayward, and Chetek, and losses to Cumberland, Bloomer, and Rice Lake. Over all, the football season was one of close breaks. Barron's losses to Rice Lake and Unity could have gone either way. Barron came up with surprising strength in the backfield, and at times demonstrated good depth to complement the speed and power of their horses. The line was tough and experienced this year, and graduation marked the loss of many good players.

1963

Assistant Coach Maher and Head Coach Warren

## Coaches

Barron was endowed this year as in previous years with the services of fine coaches. Mr. Warren and Mr. Maher supplied the knowledge for winning a football game. The players, as well as the entire student body, can thank these men for many memories of the 1963 football season.

Managers Tom Bonkrude and Richard Eckman

## Managers

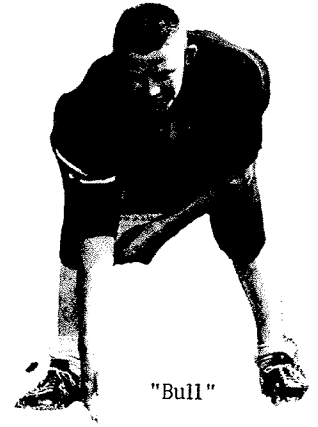

The boys who kept the team going often go unsung. Richard Eckman and Tom Bonkrude spent much time and effort doing the things everyone takes for granted in the running of a team, but which are as essential as any other part of the organization. Being a manager is a long, thankless task, and Richard and Tom turned it into an excellent job.
