

Bears Have Spirit . . .

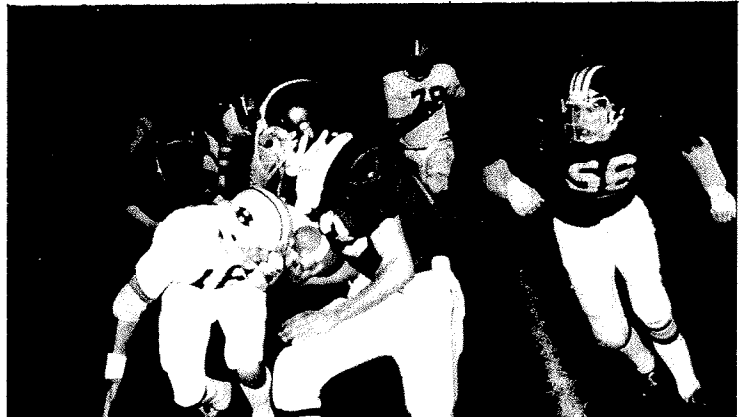

"The Barron Bears of 1979 were a young team who played hard all season. Despite a 2-7 record for the season the Bears provided their fans with exciting, good football! Barron was "in" all the games to the end! The biggest thrill of the year was almost up setting Rice Lake." By Coach Grygeil.

JV And Frosh Try Hard

This years' Barron Junior Varsity Football team finished with a record of 2 wins and four loses.

The team began impressively with a double overtime win over Ladysmith followed by a decisive victory over Hayward.

The young Bears were unsuccessful in terms of wins, but learned a great deal in losing.

The experience gained by not having given up in any game will prepare them for a successful varsity career.

Homecoming '79

The crowd gets into the spirit.

Sept. 18-22, Barron High students participated in such events as boys volleyball and girls flag football. The Junior boys won in volleyball and the Senior girls were overall winners in flag football. Homecoming night the Cumberland Beavers defeated the Bears but the loss didn't affect their spirit.

Coach Grygeil looks on.
